## Image 1:

1. What do you think of the idea behind this message? Does it seem like a good idea and make sense to you?
2. Are the language and picture clear and do they get the idea across clearly?
3. Is there any way these (language and picture) could be made clearer or more convincing?
4. Would you personally follow this idea or practice...? Why/Why not?

## Image 2:

1. What do you think of the idea behind this message? Does it seem like a good idea and make sense to you?
2. Are the language and picture clear and do they get the idea across clearly?
3. Is there any way these (language and picture) could be made clearer or more convincing?
4. Would you personally follow this idea or practice...? Why/Why not?

## Image 3:

1. What do you think of the idea behind this message? Does it seem like a good idea and make sense to you?
2. Are the language and picture clear and do they get the idea across clearly?
3. Is there any way these (language and picture) could be made clearer or more convincing?
4. Would you personally follow this idea or practice...? Why/Why not?

## Image 4:

1. What do you think of the idea behind this message? Does it seem like a good idea and make sense to you?
2. Are the language and picture clear and do they get the idea across clearly?
3. Is there any way these (language and picture) could be made clearer or more convincing?
4. Would you personally follow this idea or practice...? Why/Why not?

### **Image 5:**

1. What do you think of the idea behind this message? Does it seem like a good idea and make sense to you?
2. Are the language and picture clear and do they get the idea across clearly?
3. Is there any way these (language and picture) could be made clearer or more convincing?
4. Would you personally follow this idea or practice...? Why/Why not?

### **Image 6:**

1. What do you think of the idea behind this message? Does it seem like a good idea and make sense to you?
2. Are the language and picture clear and do they get the idea across clearly?
3. Is there any way these (language and picture) could be made clearer or more convincing?
